

DELEGATES' FEEDBACK AFTER A ONE HOUR PRESENTATION!

TOPIC: "The Power of the Word" (Life Altering - Mind Opening Communication)

AUDIENCE: 300 Business Owners, Managers and Staff at a Leadership Day.

(My client asked his delegates to write down the MAIN OUTCOMES immediately after the talk!)

- Dear Robyn, I haven't laughed so much in years. But more importantly, understood the importance of laughter. You had us captivated...teaching us life lessons. Lessons that applied to every day, to help us to focus on BEING. Being in control, responsible, the author of US. And the impact that can have on those around us, our loved ones, our work mates, our clients. You showed me how to BE, which will change me forever. And as a natural consequence will impact the success of any future business. Thank you!
- Thank you for such an inspiring presentation. I've seen many over the years, from a whole range of different people, but none better than you. Great stuff.
- The hour with you will not only have a great effect on me but I am sooo excited about how your words will benefit my team, my family (3 children), and my husband. Their 'experience' with me will be so much more every single day not just on & off as it probably has been in the past. You have just given me the most positive hour I have had for a long time (if not ever.) Which will equal a positive future.
- Thank you so much for an outstanding "Authentic" presentation. That magic word really struck a chord with me as it was the word I have been looking for...it sums up our business philosophy and our culture. So we will use it as our new mantra.
- Phenomenal!!!! Your message WILL change my life. You reached into my chest, massaged my heart, you made me laugh, you made my eyes well up and you have given me clarity...thank you.
- Thank you so much for opening my eyes-waking me up and for the best talk/discussion/seminar/speech I have ever heard.
- Thank you. Yes life is too short to remain in the "re-ACTION" mode, and yes we have allowed laughter to die somewhat (although not willingly.) Your account makes me dig deep within and I need to live life with more enthusiasm, passion and energy. No doubt you live your life this way. Don't ever lose it.
- Robyn, you are passion on sticks!!! Thank you so much for your absolutely amazing presentation, but most of all you brought us "down to Earth" with your earthiness and touching examples of life stories.
- Thank you for making me realize how important my wife and 3 wonderful children are to me and to never forget them in this busy world of real-estate.
- Delightful. Entertaining, real, energetic, cuddly, larger than life and I'm certain you are a wonderful Mum and wife too! Thank you!
- What an absolutely awesome speaker. You're amazing – what you do for children, how you use Blinky Bill to help children grow & change their outlook is just inspirational. How each & everyone of us have choices, how we live our lives & that we do not have to live in RE-ACTION!! We are all in charge of our own life! Humorous & meaningful & absolutely sensational! Thanks Robyn
- Thank you for an extraordinary session and congratulations on your efforts that you give back to the community. You will leave a great legacy on this earth, a much better place now than when you arrived. Thanks again.

- Thanks for sharing your amazing inspiration. I took both personally and professionally a lot and will remain grateful to you for highlighting the family factor. "Tiredness" will never be mentioned again.
- Thank you for your wonderful gift of humour, compassion and insight to the world of "words". They say, "The teacher comes when the student is ready to learn!" You have inspired me to make more decisions about the passions in my life; my children and others without a "voice".
- Well – you are amazing. Your energy is awesome. You love what you live obviously and give so much. Thanks for letting me get it. (Delegate from New Zealand)
- Thanks Robyn!! I now have a multiple personality: Monday I'm enthusiastic. Tuesday I'm passionate. Wednesday I'm happy. Thursday I'm energised. Friday I'm focused. Saturday I'm confident. Sunday I'm laughter & every other moment I'm ME!!
- I loved the saying..."If I'm not laughing now, I'm either upset about the past, or dreading the future". It made me laugh which was the point. Brilliant and inspiring.
- Thank you for your authenticity and for getting me to realize what I need to do to be authentic with myself, my family and clients.
- Fantastic – Tears of laughter & sadness all in the same hour. Didn't realise words could be so strong. My word – "contribution/contributor."

Client Feedback:

"Extraordinary!!!!!! Out of this world!!!

Out of the 300 people in the room there were only a couple that had ever heard of Robyn, but after a little over an hour of her incredible journey, through key insights, making us cry, and absolutely "Wet your pants laughing", we had a line of very high profile executive people at the end that wanted to meet her and show their appreciation."
